THE COMPANY

One company to call for four things a project needs.

Vertexa Integrated Solutions is based in Falaj Al Qabail, Sohar, close to Sohar Port and its industrial area, and run by a management team with more than ten years of experience across Oman. We supply people for the site, heavy equipment to work it, buses and trucks to move people and materials, and industrial chemicals.

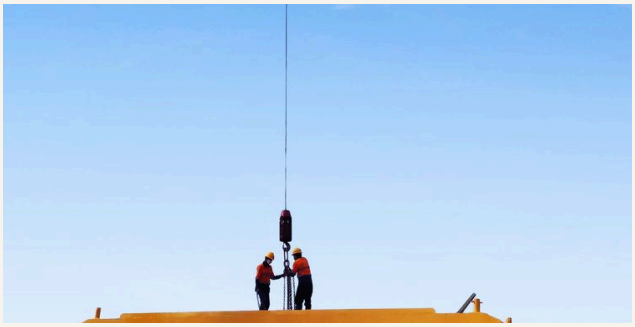

The two partners, Vishnu Vijayan and Abdullah Al Badi, answer calls and WhatsApp themselves and stay your contact for the whole contract.

WHAT WE SUPPLY

Manpower supply

Engineers, supervisors, safety officers, accountants and office staff for the project team. Technicians, welders, electricians, operators, drivers, construction workers and helpers for the site. Cooks, catering and housekeeping staff for camps.

Heavy equipment rental

Mobile cranes of 25, 50, 100 and 200 tonnes. Forklifts: warehouse electric 2 and 3 t, industrial diesel 5, 10 and 16 t. Excavators and wheel loaders sized to the job. Long-term rental from six months, PDO and non-PDO sites, with or without operators.

Transportation and logistics

Staff buses for daily shift runs and transfers between sites. Dump trucks and trailers for construction materials, goods and industrial cargo, with project logistics support.

Chemical supply

Industrial chemicals sourced to order for oil and gas, water treatment, construction, manufacturing and maintenance. Safety data sheets on request; approvals checked for each product before we quote.
